### Association Mission Strategist Thoughts

On Tuesday night, March 22, I was sitting in my recliner, watching TV, when I started experiencing extreme pain in my chest and down my left arm. After ten minutes, the pain had only gotten worse, so I called 911. The EMT's arrived and checked me out and suggested that I go to the hospital. I had four EKG's and they all were good. My blood enzymes were elevated so they kept me overnight for observation.

The next morning, the Cardiologist said that I needed a heart catheterization to determine what was going on. They found one major blockage and removed it and put in one stint. Then the news came that I do have some heart damage.

So many people praying and God honored their prayers.

I feel Great. I just have to take it easy for a while as my heart heals.

During this episode, I was able to witness to one of the EMT's. He had some non-biblical understanding about God, and I was able to answer his questions in a way to make him rethink what he believed. I also had the opportunity to share with the Cardiologist of my faith in God and my praying for him. Even in the difficulties of life we can point people to Christ.

I know God is teaching me to slow down and he is also teaching me humility. I hope I learn these lessons well and that I will be able to share them with others.

## Marty's Minutes

Dear SBA Family,

Thank you for your continued PRAYERS and financial support of your BCM ministries. The semester continues to fly by...Students are busy with classes and life in the "fast lane." Daphne and I shared on Valentine's Day a Bible study about the; "Greatest love of All." We had a great group and everyone got plenty of encouragement and chocolate, ha-ha. Another highlight for the month was the National College Day of Prayer on campus, Thursday 24, 2022. We had several students, faculty, and staff join us at the Armstrong Student Center Plaza. It was a sweet time of prayer and fellowship. There were more than 1900 college and universities groups across America praying on that day for Revival and Spiritual Awakening in America and the World. I love the quote by J. Edwin Orr; "It is utterly impossible to divorce the story of student awakenings from the course of missions in countries overseas. From the beginning, one of the most immediate and dramatic effects of college revivals has been the recruitment of personnel for the work of Christ abroad." May God continue the work of revival on the campuses in Savannah and throughout Georgia. Please continue to pray for wisdom as we continue to seek to reduce lostness on campuses in Savannah and across Georgia.

### Blessings,

## Assembly News

Greetings from the Assembly,

Spring is here and summer planning as well.

We are quickly booking the summer, which is a blessing. We don't want you to miss your chance to book your group. We still have a few renovations going on and are excited for what they'll bring to the table.

If anyone is looking for a way to serve with a group or even individually, please reach out.

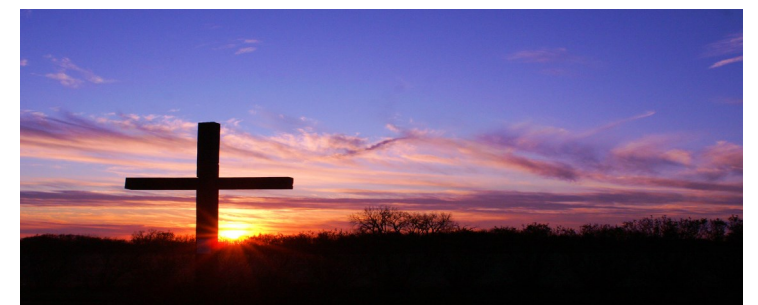

Until next time please continue to pray.
