### Association Mission Strategist Thoughts

August is here. Schools are back in session. Vacations are coming to an end. The new Church year will be starting with the hope of seeing attendance grow back to pre-pandemic numbers or greater. Churches will be seeking to fulfill many positions, which can prove difficult if we are not back involved. Many of the Pastors that I speak with are still concerned about many who have not returned to being regular attenders and workers. Please pray for these positions to be filled in your church. Please pray about becoming involved in your Church's ministries. If you are not attending as regularly as you once did, please make every effort to come back to God's house for Worship, Fellowship, Discipleship, Edification, and Spiritual growth. You will be the Blessed one if you do.

The Staff of the Savannah Baptist Association, as well as our different Ministries, are here to serve the Churches of the Association in any way that we can. Just give us a shout.

Serving Him Together,

## Marty's Minutes

Dear SBA Family,

Dear SBA Family, thank you for your continued PRAYERS and financial support of your BCM ministries. Even though life continues to change I'm grateful the Gospel is the same, yesterday and forever, Amen! Our Mission (Matt. 28) is the same, "To Engage College and University students, faculty and staff with the Gospel, making disciples and preparing them for a lifetime of service to Christ through the local churches." Therefore, please continue to pray and encourage your children, grandchildren, or even great grandchildren to seek out a Bible based, Gospel centered campus ministry during their college or university experience and get connected. Remember, Proverbs 22:6 tells us, "Train up a child in the way he should go, and when he is old, he will not depart from it." This biblical truth is not just for the toddler, but it is for all who have not obtained maturity in life and faith. Thanks again, for your prayers and support as we labor together in the fields white unto harvest and please Pray... Pray... Pray !

BCM Campus Minister for

## Assembly News

Greetings from the Assembly,

Summer vacation is coming to an end for the kids, which means so are summer camps. We've had a slower yet productive summer here continuing to grow and serve you. We are already looking forward to next year hoping to be able to serve you even more. However, our doors are still open through the rest of the year. Do you need an adult getaway? We have some of the greatest scenery for men's and women's retreats or conferences. Please don't hesitate to call with any questions.
