### Association Mission Strategist Thoughts

January has been a very busy month for the Savannah Baptist Association, and I expect February to be the same. Ministry never stops and, in my opinion, Ministry shouldn't really slow down. The problem is that, like in any Church, a few do most of the work. I personally believe that God wants all his children, all who have called on the name of Jesus to be involved with some type of Ministry. In the Book of James chapter 1 verse 2 puts it this way "But be ye doers of the word, and not hearers only, deceiving your own selves." If we are just hearers and not doers of the Ministries that God has called us to do, engifted us to do, and honors us with the privilege of doing, we are deceiving ourselves. So, let's not slow down, let's get busy doing the Kingdoms work. Our Lord Jesus will be Honored, the Church will flourish, and we will be Blessed.

Much work is going on at the Savannah Baptist Assembly. The pool is being redone and we are moving forward with building restrooms in the #5 cabin. Bro. Dale Griner, our new Director, and his family have moved in and are already doing a lot of work. Please pray for the ministry of the Savannah Baptist Assembly.

We had a Disaster Relief Orientation and Recertification Training on January 8<sup>th</sup> at FBC of Richmond Hill. We had over 60 people there with many new volunteers for Disaster Relief. Ricky Thrasher from the Georgia Baptist Mission Board said that he couldn't remember having that large of a group for a January Training session.

Praise the Lord for all that He is doing and for allowing us to be a part of His workings.

## Marty's Minutes

Dear SBA Family,

Thank you for your continued PRAYERS and financial support of your BCM ministries. We off and running with our spring semester of BCM, well almost. Already, I've had to quarantine for a Covid exposé during our SMN Missions Interview Weekend. Gratefully I wasn't positive for Covid.

Ga Baptist BCM's has appointed more than "seventy" students to serve in missions around Georgia and the world this summer. Also, we just concluded our first full week of BCM ministries.

Thanks again, for our SBA churches for providing great lunches and support during our Wednesday meals. This semester, we have shifted our discipleship Bible study (The Bridge) to Monday nights at 7pm. Please let your college or university students from your church know about the changes.

Today we attended the GSU@Armstrong organizational Fair on campus. We had a great day connecting to lots of new and returning students. Finally, as we settle into this semester PRAY that we have no outbreaks of Covid within the BCM, Please PRAY for our new leadership coming on board and that they stay focused on the Lord, and also stay active in their churches and faithful in sharing the Gospel on campus. Remember, we can't do this without you and the churches of the Savannah Baptist Association, THANKS!

### Blessings,
