Marty's Minutes

Dear SBA Family, thank you for your continued PRAYERS and financial support of your BCM ministries.

We've had good attendance at both our Monday night Bible studies and Wednesday lunches. This semester on Monday's we're studying Dr. Tim Elmore's series called Habitudes. His study is designed to both strengthen and develop Christian leadership within a ministry. One of the most notable changes I discovered within college and university students since returning to collegiate ministries in January 2021, has been the decline of leadership skills in the general student population. I know that the "Covid" isolation has played a significant part in this decline in recent years. Therefore, we must work "extra" hard to discover and grow collegiates into healthy leaders within our churches. If I can be of assistance with this challenge, please drop me an email to let me know how BCM can assist your church in this area.

Finally, we were able to take a small team of students to one of our SBA churches this month to spend time with their Junior and Senior youth preparing for college. We had a great time sharing with them how to strengthen their faith as they prepare to go to college in the fall.

AS always, remember we can't do this without you and the churches of the Savannah Baptist Association, THANKS!

Blessings,

Marty Youngblood

Greetings from the Assembly,

We are super excited about what God is doing here. As of right now the pool is being remodeled and improved, we've started the process of adding bathrooms to our last cabin, and we are steadily taking reservations. With that being said, there has never been a better time to make your reservations with us. If you have any questions, please don't hesitate to contact me or if you just want to see what we offer, call or a text and we can schedule a time to show you around.
