Association Mission Strategist Thoughts

I am so very proud of the Churches of the Savannah Baptist Association with how they came to support our community as it was devastated by the tornado in Pembroke, Ellabell and Lanier. Our Churches rose to the occasion by collecting the items that were needed to help the victims as well as many monetary donations.

We also had our Clean Up Recovery / Chainsaw Unit 36 R on site. Our volunteers worked removing trees and tarping roofs for 4 days. Tom Young, our Unit Director for 36R said that he was overwhelmed by the damage and overwhelmed by how the community came together to help each other. The community and all of the volunteers are being the hands and feet of Jesus to those who are hurting.

Also, we celebrate Mother's Day on May the 8th. I may not always be the best son, but I have the Best Mother. (Just a little bit bias). I'm sure many can make the same claim about their mothers. Mothers are a very special gift from God. Spend time reminding them about how much you love them. If your mother has passed away, take a little time to reflect on your love for them.

Events coming up

We will have our Senior Adult Picnic on May 12th at the J. F. Gregory Park in Richmond Hill beginning at 11:00. Tickets are \$6.50 and can be purchased at the Association Office.

Marty's Minutes

Dear SBA Family,
Thank you for your continued PRAYERS and financial support of your BCM ministries. We had a great March. The Savannah BCM Center and Southside Baptist Church hosted 4 BCM's (Georgia Tech, Georgia State University, West Georgia University and University of Kentucky) over Spring Break. These teams, including GSU@Armstrong students, assisted in ministries at the Savannah Baptist Assembly, Living Vine, and various other community and church-based ministries. The Armstrong BCM and the University of Kentucky students spent the afternoon on March 17, at the Tanger Outlet during the city of Pooler's inaugural St. Patrick's celebration, sharing the Gospel. We were able to pray with numerous merchants and visitors from across the United States. The following week, we held our Armstrong version of the "great exchange," an evangelistic effort to the GSU@Armstrong campus on March 25 with a college and singles group from South Georgia. Our team had 30 plus Gospel conversations and two students gloriously saved, PTL! Please pray for RJ and JJ to grow in their new faith as we seek to disciple and connect them to local churches. Please continue to PRAY for our BCM student leadership team as we recruit additional leadership for the fall semester. Finally, PRAY for wisdom and boldness as we continue to share the Gospel throughout the Savannah area campuses.

Blessings,

Marty Youngblood
