Association Mission Strategist Thoughts

Welcome to 2023. I never thought we would see this year. I hoped and thought that Jesus Christ would have returned by now. Remember Y2K, the supposed ending of the world for the year 2000? It didn't happen because the Bible states very clearly that no one knows the day or time that Christ will return. With that being said, the signs of the times that the Bible speaks about are appearing almost every day. So we all better get ready. It very well could be this year and we are to be "Redeeming the time, because the days are evil." (Ephesians 5: 16).

As the Staff of the Savannah Baptist Association, we would like to wish each and everyone a very Happy and Prosperous New Year. May our Heavenly Father grant you the very desires of your heart.

Serving Him Together,

Christmas Care Packages for the Homeless

Thank you to all who helped with this project. We were able to provide 55 care packages for the clients who receive services at the Baptist Center. In addition to giving a gift, we were able to share God's love with our clients and show them the true meaning of Christmas.

Thank you to everyone who has supported God's work at the Baptist Center through prayer, donations, and financial contributions. We are grateful for the opportunities God provided in 2022 and look forward to following His plan in 2023.

Volunteer Opportunities

The Savannah Baptist Center currently has volunteer opportunities available on Wednesdays for our food pantry ministry. If you are interested in serving in this area or would like additional information, please contact Amber at (912)232-1033 or amber@savbaptistcenter.org.

Assembly News

Greetings from the Assembly, Merry Christmas brothers and sisters and a blessed New Year. As I've reflected over my first year here, I've realized one thing. God has been really working in this place to build it up for our churches. With that, I realized that most of our people know the Assembly from years past. If you haven't visited in the last few years this place has taken on a new shape. Just in this past year, the pool was remodeled and cabin 5 has gained bathrooms (soon to be complete). I encourage you to visit if you haven't in a while. Also, don't forget to get your reservations in for the summer as it comes quickly. Thanks
