Association Mission Strategist Thoughts

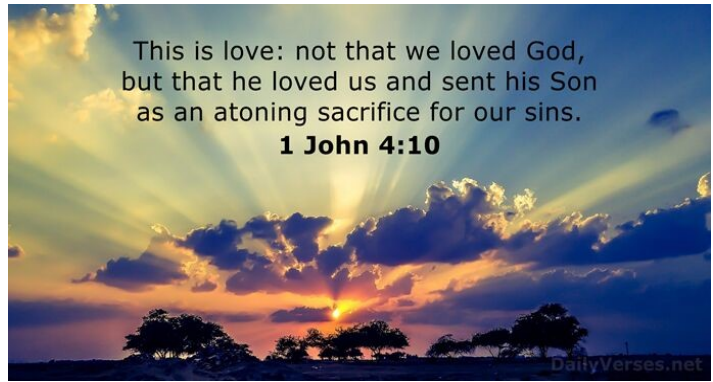

Happy New Year, I hope. I say “I hope” because we do not know what 2024 will bring. With all the upheaval and unrest in the world, the disunity in our country, with the crime rate soaring and discontentment abounding, I wonder what 2024 has in store for us. With these types of questions things kind of look bleak.

However, there is some very good news. God is still in control. He has not forsaken us, nor has He left us. God is still God, and nothing will change that. He is our God, and what we should be doing is, “Trusting Him with all our hearts, and not leaning to our own understanding. We should be acknowledging Him as God, knowing He will direct our paths.” (Proverbs 3: 5 – 6).

With that knowledge, and with our obedience to His Word, we really do not have to fret about what 2024 has in store for us. Just keep Trusting Him and keep Living for Him, and the outcome will be just fine.

So, Happy New Year. May Almighty God Bless you richly in 2024.

Christmas Care Packages

Thank you to all who helped with this project. We were able to provide care packages for clients who receive services through the clothes closet ministry. In addition to giving a gift, we were able to share God’s love with our clients and show them the true meaning of Christmas.

Info for January 2024

Thank you to everyone who collected items for the children’s Christmas stockings. We look forward to sharing information on the children’s Christmas party and stocking distribution in the January newsletter. Thank you to all who participated in this project.

Thank you to everyone who has supported God’s work at the Baptist Center through prayer, donations, and financial contributions. We are grateful for the opportunities God provided in 2023 and look forward to following His plan in 2024.

Thank you, Stephanie

Marty's Minutes

Dear SBA Family,

It has been a great semester. Daphne and the BCM student leadership have been very busy with Bible studies, luncheons, and numerous outreach events on campus. We want to again say THANKS to all our churches and volunteers who bring our lunches and help serve on Wednesday’s. Without you, we would not be as effective sharing the Gospel with students, faculty, and staff at the GSU/Armstrong campus. As we’re already planning for next semester, please pray for wisdom, Resources, and favor with the university as we seek to reach our campus for Christ.

Merry Christmas and Blessed New Year!

Blessings,

Assembly News

What a wonderful year we've had. This year we basically doubled our reservations from last year. The Assembly has come so far and changed so much! As I close this year out, I look back on a fruitful year with many lives changed and saved, but more than that, I look forward to next year in hopes that even more will come to know our Lord through this ministry. As we move into next year, we are already getting busy for the first few months, so please do not put off your reservations until the last minute.

Thanks
