Association Mission Strategist Thoughts

With the Hyundai Mega plant being built in North Bryan County, and the many other corporations that will be producing products for the Hyundai plant, the opportunity for all types of Ministries have just exploded. With the influx of not only Koreans, Chinese, Germans, Russians and many other language groups, there will be many opportunities for all types of ministries and mission endeavors.

A group of Pastors have been meeting, praying, and seeking God's will on how we might best minister to those who are transitioning to our area. We know the task is daunting. However, our God is Greater than our task. As we look to Him for guidance, we have set aside Monday, February 12th, at 11:00 a.m. as a day of prayer. We will be meeting here at the Association office and will be sharing what we have discussed in our meetings and will try to answer any questions you might have. Then we will enter a time of prayer, seeking God's will for us and His blessings on our efforts. We will be setting aside one Monday a month for updates and especially for prayer. Anyone and everyone are invited. Please try to attend these Prayer Meetings.

Marty's Minutes

Dear SBA family,

It's been a chilly but exciting start to the spring semester. We're grateful for ALL the SBA churches, who have committed to bring and help serve lunches, set up and wipe down tables, but most of all, spend time with our students, encouraging them and their educational pursuits, and most of all, their faith in JESUS. Daphne has the student leadership team busy, with outreach to the campus and getting ready for our 2024 GSU Armstrong February retreat, called AWAKE! Please PRAY for the students to awaken to God's call on their lives during their time at Jekyll Island, Feb. 23-25th. Finally, please continue to pray for Daphne and the student leadership, as they plan to host an evangelistic outreach to the GSU Armstrong campus in March.

As always, THANKS for the prayers and financial support of the SBA churches, which enable us to take the GOSPEL to the next generation through YOUR BCM ministries.

Assembly News

Greetings from the Assembly,

Winter is shaping up to be a cold one. Thankfully, we're well equipped to handle the temperatures here at the Assembly.

If your church is looking for a way to retreat after a busy Christmas season, come stay with us. We have fire pits and heated buildings to enjoy some time together. We only have a couple open weekends over the next couple of months, so don't hesitate.

Thanks for your time.
