Association Mission Strategist Thoughts

Almost every day when I am coming to the office, I encounter an accident on I 95 or I 16 or 204 Abercorn. Sometimes these accidents are just fender benders and sometimes people are injured. Accidents can occur anytime and anywhere. Two weeks ago, I was sitting in traffic on Highway 204 near I 95 when a car rear ended the car behind me, pushing that car into mine and causing me to hit the truck in front of me. A total of four cars involved with one seriously hurt person. My vehicle only sustained cosmetic damage, which is still expensive to repair.

I share this to remind everyone what the word of God tells us in James 4: 14. It says, "Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away." Life is so very precious. So, it is extremely important that we know where we stand with God. Are we saved and going to live with Jesus Christ in heaven or are we unsaved and headed to a devil's hell? The choice is ours to make. God has prepared the way for us to be saved and that is through a personal relationship with Jesus. I hope and pray that you have surrendered your life to Him. If you have, I hope and pray that you are living a life that is pleasing to Him.

## Marty's Minutes

Dear SBA family,

As always, we're eternally grateful for ALL the SBA churches who have committed to bring and help serve lunches and set up and wipe down tables. They spend time with our Students, encouraging them and their educational pursuits, but most of all, their faith in JESUS. This month, our focus is evangelism. We are doing a series of messages and trainings to prepare and challenge our students to share Christ with their classmates, professors, friends, and family in March. We call it **March Gladness (Psalm 100:2)**. "Serve the LORD with gladness. Come before his presence with singing." As a result, numerous students and adults have already heard and accepted the Gospel. Just this week, we had over 80 university students from GT, West Ga University and GSU/ Armstrong gather Monday night for pizza, worship, and Bible study about "Praying Your Friends To Christ..." This weekend, a group of GSU students from Armstrong and Statesboro will be sharing Christ in downtown Savannah. Please pray for their safety, opportunities, and boldness...Let me conclude by saying, God is still doing a "great" work among university students in Savannah. Therefore, please continue to pray for me, Ms. Daphne, and the student Leadership, as we look forward to the selecting new leadership to serve in Fall of 2024...

Blessings!

## Assembly News

Greetings from the Assembly,  
Though we have had a couple groups this month, the highlight was a D-now group. They had about 12 churches working together to bring 130 youth and young adults together all for one reason. That was to worship Jesus. It's encouraging to see that many young people seeking to know Christ, as well as that many churches working together. The Assembly is here to allow opportunities like this. If you'd like to see what we have to offer or schedule your retreat, give us a call.  
Thanks for your time.
