### Association Mission Strategist Thoughts

I was reminded recently of a part of my life and my leadership that keeps me on the straight and narrow. Those two things are, first, "Is it God's will?" and second, "Always take the High Road." These two things have guided me for most of my Christian life and I share them often with others who seek counsel.

First, the question is what the question should always be, "Is it God's will?" As a Christian, we should always strive to be in the center of His Holy Will. He is always right, and His way is always right for us. No matter what the situation or circumstances. So, we should seek to know what His will is and strive to carry out His will in our lives.

Second, we should "Always take the high road." It can be so easy to follow the world, give over to our own feelings, act in an unchristian manner, or just do nothing. We should always take the high road. Jesus Christ did! He never did the least He could, nor did He do his worst. Jesus always Honors God by doing and by the taking of the high road. Even on the cross, when He could have easily condemned what was happening, He didn't. He asked God to forgive them.

We should always "Take the High Road!"

These are two things that guides our efforts in the Savannah Baptist Association, and they are non-negotiable.

## Marty's Minutes

Dear SBA Church Family

Marty Youngblood is out of the country at this time and we wish him well in his ministry. This is a description of what the ministry is all about. "Baptist Collegiate Ministries is a ministry of the Georgia Baptist Mission Board, BCM is not a church, but is a cooperative ministry of local churches and the State Baptist convention of churches. Through the funds and volunteer efforts provided by these ministry sponsors, the BCM is able to reach a wide audience of students with the Gospel of Jesus Christ."

## Savannah Baptist Association Disaster Relief

Our Georgia Baptist Disaster Relief Unit 36R, of the Savannah Baptist Association, has been truly blessed to help numerous families in Jasper, TX by chainsaw, cleanup, and most especially by sharing our Lord's love and encouragement after a recent tornado. Some of our team members came from many cities across GA. Please pray for the folks impacted by the tornado as they move forward through the recovery process. Thank you & bless you for prayers.

## Assembly News

Greetings from the Assembly,

This summer has been packed with mission teams serving our Assembly. I'm so grateful to have had these groups of youth come and really get their hands dirty. As I've seen their excitement to serve God in this way it brings me joy for the next generation. With all this being said, summer is almost over but this is a great time to schedule for fall. If you'd like to reserve a date, give me a call regarding availability
