Association Mission Strategist Thoughts

Well, the month of August has brought us some Good News and Some Bad News. The Bad News is the torrential rain from Hurricane Debby. We have had flooding, downed trees, impassable roads, and water damaged homes. And, yet, the Good News is that Communities have come together, Churches have opened their doors as collection centers and different Disaster Relief organizations have offered much needed help. Our own Savannah Baptist Association/Georgia Baptist Disaster Relief Teams have been hard at work removing downed trees and doing mud-outs of homes that had water damage. This is all hard difficult work; however, we are being the hands and feet of Jesus Christ for those who need help. Just because the water has receded doesn't mean that it is all over. There is much work to be done.

Pray and see where God might would use you in helping. Maybe, it will be through volunteering to be a part of our Disaster Relief Ministry. We will have Disaster Relief Introduction Training in Jesup Ga. on the 20th and 21st of September. You can go to the Georgia Baptist Disaster Relief webpage and register.

Marty's Minutes

Dear SBA Family,

Volunteer Campus Missionary, Daphne Youngblood, her army of volunteers, and the BCM student leadership team are off to a great start at GSU Armstrong BCM this semester. Wednesday, they had over 100 students in attendance, including our first medical student, a recent graduate of UGA, and part of the 41 first-time medical students at GSU Armstrong. Remember, we could not do this vital ministry of reaching GSU students, faculty, and staff with the Gospel apart from your prayers and financial contributions through the Savannah Baptist Association, Thank You!

Please remember, if you or your church is not currently part of our weekly "volunteer ministry team" but would like to be, please get in touch with Daphne Youngblood at daphne.youngblood@gmail.com or call the BCM Center at 678-564-4895

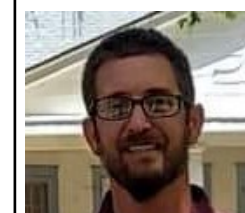

Blessings!

Assembly News

Greetings from the Assembly,

This has been an interesting month. With the tropical storm came a mess of broken limbs everywhere and one tree crushing part of the tennis court fence. That, admittedly, was a lot of work; some of it is still going on. However, that doesn't outweigh the beauty of how God is using this property. We've had four groups out here in the last two weeks. We also have multiple groups over the next couple of months. If you haven't scheduled yet it's not too late. Reach out and let's talk about how we can serve you.
