Association Mission Strategist Thoughts

I am one of the peculiar people that doesn't have favorite things. I do not have a favorite food, movie, color, city or even a favorite holiday. That doesn't mean that I do not like certain things better than other things. It just means that I do not have any favorites.

However, when it comes to holidays, I really like Easter time. Spring is usually in full swing. Flowers are blooming. Temperatures are rising. Churches are preparing to Celebrate Jesus Christ's resurrection. I really enjoy Celebrating Christ's resurrection. I enjoy singing hymns like "He Lives and "Christ Arose" (He Arose). These songs tend to move my heart as I reflect upon what Jesus has done for me and how He defeated the grave. Not only for me, but for all humanity. To me Celebrating Easter means to Celebrate our Savior, Jesus Christ, which we should do every day.

The songs say, "We serve a RISEN Savior"! Hallelujah: "HE LIVES". And for those who are Believers, "He Lives within our Hearts".

Serving Him Together,

Blessings,

Marty's Minutes

Dear Savannah Baptist Association of Churches,

This semester has been a great success! Daphne Youngblood and her volunteers have done an amazing job evangelizing and disciplining students at the GSU Armstrong campus here in Savannah. With only six weeks left in the semester, the BCM leadership team is already preparing for fall 2025.

This valuable ministry could not continue without the prayers and financial support of this association. We remain grateful to Buddy Wasson, his staff, and all the churches that make up the Savannah Baptist Association. We also want to extend our thanks to everyone who volunteers their time and provides water and soda for our program. Each Wednesday, we serve meals to an average of 90 students and sometimes more than 120. These students not only receive a great meal but also encouragement, a devotional, and the assurance that Jesus loves them—and so do we.

Please continue to pray for and support your BCM ministries as we remain faithful to the Gospel in our mission of reaching, making disciples, and connecting university students with our local SBA churches.

Blessings...
