Association Mission Strategist Thoughts

As we look at all that is happening around the world, it makes me extremely happy that we live in the United States of America. We know that the Freedom we have here is better than any other place in the world. And we also realize that our Freedom did not come without a cost. So many have sacrificed for the Freedom that we enjoy in the U.S. So, as we celebrate the 4th of July, let's remember that we are truly blessed to live where we live.

Of course, the greatest freedom of all, is the Freedom we receive when one accepts Jesus Christ as their Lord and Savior. He is the "Truth", and the "Truth" will set anyone free from the penalty of our sins. So, we all should Thank God for the Freedom we have through Jesus Christ.

On Thursday, July 10th, at 11:00 a.m. at the Association Office, we will have two Representatives from the Georgia Baptist Mission Board sharing information on Discipleship and Pastoral Wellness. This Training session is open to anyone and will be a very good time to receive information about these two Ministries.

The Association will be providing Lunch afterwards, please let us know if you will be attending.

Finally, please continue to pray for Daphne and our student BCM leadership team and our army of local volunteers as we continue to "Trust in The Lord..." (Proverbs 3:5-6) as we begin preparing for the fall semester later in July.

Assembly News

Greetings from the Assembly,

As I'm writing this, tomorrow is the official beginning of Summer. However, this hasn't stopped our groups from enjoying the pool up till now. We just hosted a summer camp of about 80 who got to have multiple baptisms in the pool. There's nothing better than people making decisions to follow Christ. To be sure I don't think our Assembly is magically going to change lives but sometimes we just need to get out of the noise to hear from God. If you think that could be what your group needs, reach out for availability. We're here to serve.
