Association Mission Strategist Thoughts

Have you ever felt like you were under attack? Have you ever felt like your family was under attack? Have you ever felt like your Church was under attack? Well, the reason that you might feel this way is because we are under attack. I Peter 5: 8 tells us, to "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour." and in John 10:10 the Bible speaks of the devil as "The thief cometh not but for to steal and to kill, and to destroy."

We are most definitely under the attack of the devil, Satan. He not only wants to steal our joy and to kill our fellowship with God and other believers, but he also really wants to destroy us. To destroy our testimony as Believers, as Christians.

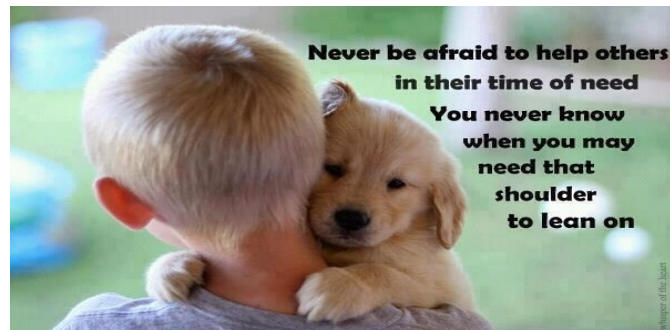

However, Jesus tells us in the latter part of John 10: 10 that "He is come that we might have life and have it more abundantly." We accomplish this by "Submitting ourselves to God and Resisting the devil." (James 4: 7) Which tells us in doing so, the devil will flee from us.

Attacks will come our way. How we handle the attacks will make the difference. Submitting to the Lord and Resisting the devil will give you victory over the attacks. It will build your faith. It will carry you through the battles of this life.

Put your Faith and Trust in the Lord.

## Marty's Minutes

Dear Savannah Baptist Churches,

Thank you for your ongoing prayerful and financial support of the BCM at the GSU/Armstrong campus. Daphne and her team of volunteers, along with over 25 students, just returned from their third annual Jekyll Island Retreat, sponsored by First Baptist Church of Brunswick. One of our students prayed to receive Christ, and several others made commitments to Him. Overall, about 180 students from college and church ministries across the Southeast and one church in North Carolina attended.

As we progress through the semester, we are starting our spring evangelistic initiative on March 8th with a prayer walk around Armstrong's campus. Then, on March 9th, we will have a full day of sharing the Gospel on both the GSU/Armstrong campus and in the neighboring community. Therefore, please pray for open hearts and minds to Gospel conversation.

Also, if you or your churches would like to get more involved with the ongoing ministries at the Armstrong campus, please contact Daphne Youngblood.

Thank you again for your prayerful support.

## Assembly News

Greetings from the Assembly

It's officially tent camping season, and we have groups for the next couple weeks. Tent camping certainly isn't for everyone, but we make it a little easier with power and water connections in the Wilderness. If you've ever considered a tent camping adventure there's no better time of the year. If you haven't heard, we also have a small Team Building Course in the Wilderness now. There is a video and more information on our website, check it out! For anything else, feel free to reach out.
