Association Mission Strategist Thoughts

As we enter the month of April, first and foremost, we have the privilege to celebrate Easter. We get to remember, that our Lord and Savior, Jesus Christ, gave his life for our lives. He took upon himself our sins and the penalty of our sins so that we might be saved. He was placed in a borrowed tomb and three days later He arose. He defeated death, physical and spiritual death, for us so that we could live with him in Heaven's glory forever more. WOW. We get to CELEBRATE our Jesus.

Also, in April we have the privilege to give to the Baxley Children's home. I can remember as a young boy, going to the Children's home and working and doing chores to help them. Our Pastor and his family took our children's group and youth group there every year to minister to the children. Today we can continue to minister to the children by giving gift cards to help them with the supplies they need to continue this ministry. Please pray and give generously.

Serving Him Together,
Blessings,

Marty's Minutes

Dear Savannah Baptist Association of Churches,

Happy spring to all our wonderful Savannah Baptist Association churches and volunteers! Spring is certainly in the air, and students are busy with jobs, school, and life in between.

This month, several churches from across Georgia visited Savannah during their spring break to assist with an evangelistic initiative on campus. They engaged in 83 Gospel conversations, and we are thrilled that one international student prayed to receive Christ. He has been attending the BCM since his commitment, and we're excited about the privilege of discipling him in the coming weeks. A big shoutout to Southside Baptist Church and Cross Community Church, along with their mission volunteers from Savannah, for giving the BCM center a facelift! They provided new flooring in several of our offices and meeting rooms, and painted the large room and several offices.

We have just a few weeks left in this semester, so please continue to pray for Gospel conversations, students being disciplined, and the selection of new BCM student leadership in the coming weeks.

Assembly News

Greetings from the Assembly,

What a beautiful time of year despite our ever-changing temperatures. The flowers are blooming, the animals are lively, and the Assembly is at its brightest. But even more important is, this is the time we remember our Lord is risen. I pray that our churches overflow with people seeking to hear the Gospel this Easter.

Added to this it is also time of year to start preparing for the summer. If you haven't made plans for your retreat, reach out and let's get you on the list. Thanks for your time.
